FROM THE EAST

My Beloved Brethren & Ladies,

This year's participation at our October Grand Lodge Communications proved to be quite an exciting hallmark in California Masonic history.

The highlight event was the passing of legislation allowing the Grand Lodge of Iran in Exile to perform their degree conferrals in California.

I cannot imagine living in a country that has banned Freemasonry, which in turn has forced Masons to flee seeking sanctuary in foreign lands.

It is times like this when we show the world, by our exemplary character, the true nature of Freemasonry.

I encourage all 542 Master Masons to attend the November Stated Meeting, as we will be conducting the election of officers for the ensuing Masonic Year. Khani Zulu will be assembling a group for volunteer service at the Midnight Mission Saturday, November 14th; if you can spare some time to help please contact Khani at 323.697.9861 or khani@zulutattoo.com.

November will be a bittersweet month for me, in that it is my last month of service as your Worshipful Master...thank you all for the many lessons and growth you have allowed me to experience in this office of humble service. I look forward to seeing you all in lodge and at social events.

On the Square,
Zulu, Worshipful Master

KHANI'S 1ST LADIES' LETTER

Thank you again for all your enthusiasm around helping and volunteering for the Midnight Mission. We have made a difference in people's lives through our service over the past several months. I am no longer taking donations of books for the library. If you would like to donate your books, please take them directly to the Midnight Mission at 601 S. San Pedro St., Los Angeles, CA 90014. I will be taking a group of volunteers to serve a meal on Saturday, November 14. If you are interested, please call me at 323-697-9861 or email me khani@zulutattoo.com.

Come and bowl with us to support the Midnight Mission's Family Housing Project "Teach a Kid to Fish Bowl" Sunday, Nov. 8th, 2009 2pm to 4pm.

We are looking to form a team of 10 people! \$50 *donation* to participate Make checks payable to Midnight Mission A 501 (C)(3) Non-profit organization *all donations are tax deductible*

If you are interested, please contact me Khani@zulutattoo.com or 323-697-9861. The children of the Midnight Mission come from homes where domestic violence and other unforeseen circumstances have placed the family in a precarious situation. The Family Housing Program provides these families transitional housing and allows them to establish a stable and safe environment for their children to learn and grow. The Teach a Kid to Fish after school program or "Fish Tank" was developed to introduce the kids to a variety of subjects and experiences designed to develop self-confidence and creativity. The program emphasizes the visual and performing arts, cultural awareness, leisure, sports, practical skills, literature and design. By forming a partnership between the Teach a Kid to Fish Foundation and the Midnight Mission, both organizations are fulfilling a similar goal - to help shape our future generation into one that is self-confident, motivated, cultured and free to realize their full potential.

I look forward to seeing you all at the Stated Meeting Dinner this month and at these upcoming events to benefit the Midnight Mission!

~Khani Zulu

ABOUT THE COVER

The Weeping Virgin

It teaches Freemasons in the lecture of the Third Degree the symbolic expression of the idea that veneration should always be paid to the memory of departed worth. The great moral lessons inculcated by this legend are many and very instructive, teaching us, that we should live virtuous and upright lives, ever walking in the paths of truth and justice, even though our lives be endangered thereby. In its symbolic representations, it answers every argument in our faith, and insures safety, eternal and never ending, and is in strong contrast with the development of those passions which debase and ruin all who indulge in them. We are further reminded that though these frail bodies must die and return to dust, we may indulge the hope that through the merits of the Lion of the tribe of Judah, our disembodied spirits shall be raised and be carried to realms of bliss, there to remain in God's paradise forever.
