FROM THE EAST

Brethren and Ladies –

As most of you know, we held our Annual Masonic Golf Tournament back in June and I am proud to announce that we had the biggest turn out yet and we raised the most money to date. The majority of this year's funds will be donated to the Grand Masters program – Operation Greatest Gift – a three-day trip to Washington D.C., designed to provide veterans of WWII an assisted visit to the memorial, at no cost to them. The program also raises funds to support the work of the Masonic Hospital Visitors Program Committee.

A portion of the funds raised will also go to the First Lady Lynn Nagel's program – The Memorial Tree Program, where 40 to 50 trees are being planted, surrounding the memorial, establishing a California grove. A tree will be planted with a granite marker designating us as a donor and honoree.

I would like to offer special thanks to both Gary Holme and Wor. Chris Holme for all their hard work in putting this event together, without them this would not be possible.

Thanks – Lance Huston, WM

NEWS AND NOTEWORTHY

- I would like to announce and congratulate Brother Rastam Freitag for recently being elected as a representative of midtown to the North Hollywood neighborhood Council, representing midtown North Hollywood, which includes the location of our lodge.
- Our recently initiated brother Matthew Hyde took the initiative after the March stated meeting and met with the program director of Hands for Hope. He is currently working with them on creating an after school recording education program where kids can get hands on experience with recording technology while creating, performing and recording their own music and other multi-media projects. He has started on the construction of the studio and has donated a computer, monitor speakers and recording equipment. He will keep us posted on the progress of the studio.

TWO KINDS OF COMPASSES

We talk a lot about Speculative Masonry, but what we need to do is to make it operative in our lives. We need to become “doers” and not just talkers and lookers-on. We are to become known for our actions and works.

There are two kinds of compasses; those used for drawing circles and those used to chart a course. Brethren, have not our compasses been used all too much for drawing circles, accomplishing little? Surely, Masonry's compasses are for action, for movement, for reaching goals, for charting courses.

Let us resolve now that we shall stand by Freemasonry and its teachings and by our actions today ensure a golden age is the future for masonry and for humanity.

The state of Georgia has two lodges with the #1, and yet in Maryland, Tennessee and Pennsylvania there is no lodge with the #1.
